Dear Jenitha Blesy A

Greetings from the Organizing Committee of the IEEE ICDCA 2026.

We are pleased to inform you that your paper, entitled “Ensemble Deep Learning Framework for Skin Cancer Detection Using Dermoscopy Images” (Paper ID: 499), has been accepted for presentation and publication in the proceedings of the International Conference on Data Science for Cyber-Physical Systems Resilience using Advanced Applications (ICDCA) 2026, subject to the incorporation of the reviewer comments listed below.

The paper was evaluated by expert reviewers for originality, technical quality, relevance, and clarity. Based on the reviewers’ recommendations and the decision of the Technical Program Committee, your paper has been accepted.

Reviewer Comments:
- The paper addresses a relevant and timely research problem within the scope of the conference.
- The proposed methodology is sound and demonstrates technical merit.
- The experimental results are adequate; however, minor improvements in explanation and clarity are recommended.
- Authors are advised to improve language clarity and formatting as per IEEE guidelines.
- Please ensure that all reviewer suggestions are addressed in the final camera-ready version.

Next Steps:
1. Prepare the camera-ready paper by incorporating the above comments.
2. Submit the final manuscript through the conference submission system by [Camera-Ready Deadline].
3. Complete author registration by 19/03/2026 to ensure inclusion in the conference proceedings.
4. Follow the IEEE PDF eXpress and formatting instructions provided after registration.
